About Us

At Homes by Malta Development, we believe your home should evolve with your life—not the other way around. With more than 30 years of experience crafting new homes and guiding remodeling and addition projects in the Saratoga region, we've learned that the best transformations begin with vision, integrity, and trust.

Our journey started with a mission: deliver high-quality, functional, and beautiful spaces that feel like they were meant just for you. Whether you're expanding with an addition, rethinking your layout, or giving your home a fresh new look, our goal is the same — to help you create more comfort, more value, and more joy from the place you call home.

What Drives Us

Client-Focused Approach

We listen first. We walk through your challenges, dreams, and daily rhythms so that the work we do fits your lifestyle—not just the blueprints.

Quality & Craftsmanship

We bring to your project the same standards and care we would to a new home. From durable materials to thoughtful finishes, every detail matters.

Transparency & Communication

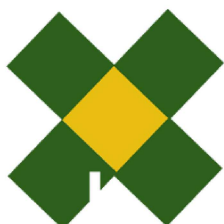

Remodeling and additions bring complexities. We make sure you're kept informed at every step, so surprises are minimized, and confidence grows.

Sustainable Thinking

We strive to incorporate energy-efficient systems, eco-conscious materials, and smart design practices whenever possible—improving comfort, saving cost, and reducing environmental impact.

Long-Term Partnership

To us, your project doesn't end with the final piece of trim. We build with an eye toward longevity and follow-up support. We want you to love your space for years to come.

Design Selections Made Easy

We make the design process effortless with a hassle-free, one-stop approach. Our showroom offers a wide selection of samples—from flooring and cabinetry to countertops and fixtures—so you can explore everything in one convenient visit. This streamlined experience allows you to make confident decisions with ease. Every remodeling project is unique, and we tailor our selections to your specific needs, ensuring a smooth and efficient process from start to finish.

Remodeling Services

Your home should reflect the way you live today. At Homes by Malta Development, our remodeling services are designed to transform outdated or underused spaces into areas that inspire and delight. From kitchens and bathrooms to basements and beyond, our team blends craftsmanship with innovative design to create spaces that are both beautiful and functional.

With a focus on quality materials, energy efficiency, and elegant finishes, we ensure every remodel not only meets your needs but elevates your everyday living. Whether it's a bold redesign or a subtle update, our skilled professionals bring your vision to life with care and precision.

Common Remodeling Services

Home Additions

Sometimes the best move is to stay right where you are, while giving your home room to grow. Our home addition services are built to seamlessly expand your living space while complementing your home's existing style and structure. Whether you need an extra bedroom, a larger kitchen, a sunroom, or a custom expansion, Homes by Malta Development delivers solutions tailored to your lifestyle. We handle every step with unmatched attention to detail, from foundation and framing to the finishing touches that make the new space feel like it's always been there.

*The result:
more space, more comfort, and more value for your home.*

Common Additions Services

-  Primary Suite Additions – Create a private retreat with a spacious bedroom, walk-in closet, and spa-like bath.
-  Mudrooms & Utility Rooms – Functional spaces that keep your home organized and clutter-free.
-  Kitchen Expansions – Open up your floor plan or add more room for cooking, dining, and entertaining.
-  Family Rooms & Great Rooms – Add flexible living space designed for gatherings, relaxing, or entertaining.
-  Sunrooms & Four-Season Rooms – Bring the outdoors in with bright, airy spaces filled with natural light.
-  Garage Additions – Expand storage and parking, or add a finished space above the garage.
-  Home Offices – Perfect for remote work, a custom-designed addition blends productivity with comfort.
-  In-Law Suites – Offer private living quarters for extended family with a bedroom, bath, and kitchenette.
-  Basement Walkouts or Extensions – Expand below-ground space with natural light and accessibility.
-  Second-Story Additions – Add bedrooms, baths, or even a full new level to maximize square footage.

MEET ROB

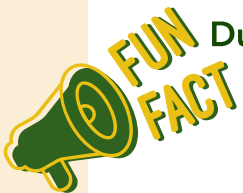

Rob Siragusa – Sales & Project Manager, Remodels

Rob joined Homes by Malta Development in June 2023, bringing his expertise to the remodel division of the business. As Sales and Project Manager, he oversees every step of the remodeling process, including in-home consultations, estimates, finish selections, product procurement, and financial management.

With a strong background in sales and management, Rob draws on his prior experience in both retail and property management to deliver exceptional service and results. His ability to balance project details with financial oversight makes him a key part of the remodel team's success.

Outside of work, Rob enjoys spending time with his wife, Rachel, and their three children—daughters Reid and Reese, and son Ryan. Much of his free time is spent coaching his daughters' softball and soccer teams, taking annual family vacations to the Catskills, and enjoying the occasional round of golf with friends.

During college, Rob taught children ages 3–12 at a gym, helping them develop motor skills through gymnastics, karate, and sports.
